

VIEWPOINT HOUSE, Porta

REF: 11292

85 000€

This old house is part of a terrace and has been modernized by its present owner for use as a summer holiday home. What we would call an 'ugly duckling', it has loads of potential, and the view to the sea and Corfu town is superb. It also has a good sized garden to the rear and a shed.

- Floor area: 82 m²
- 3 Bedrooms
- 1 Bathrooms
- Fabulous Sea Views
- Approximate Land Size 200m²
- Ready to move in but would benefit from some re-designing
