

## LAMARI, Agios Martinos, Corfu

REF: 11433

2 500 000€

Lamari is an old olive press renovated with great attention to detail and style to create a unique property set in the hills above Acharavi. A separate building below houses a working studio and self contained office, kitchen and shower-room, which can be converted into a 2-bedroom summer house with roof terrace. The property enjoys a peaceful setting with panoramic views of the coastline, islands and Albania.
