

THALASSA COTTAGE, Astrakeri

REF: 12606

450 000€

Just like Corfu "used to be" this is almost more of a plot of land than a house. An exceptionally pretty garden leads up to the simple summer house and beyond up a slight incline which leads to the steps down the bank to the beach below.

- Floor area: 117 m²
- 1 Bedrooms
- 1 Bathrooms
- ON the sea, with steps from the garden to the beach
- Needs renovation
- Investment Opportunity
- Lovely cottage style garden
